Name: School:					D.O.B:	
Overall aim(s)	Where am I now?	What will I achieve?	Outcome	Actual Outcome		
To help the child improve their speech production skills to their full potential	The child is not using 'm' at the start of words in their speech	The child will be able to produce 'm' correctly at the start of words in sentences during structured therapy activities 80% of the time.				
Therapy package: Targets will be reviewed as agreed with the speech and language therapist	Timescale: As agreed with the speech and language therapist	Factors contributing to outcome: Commitment from adults working with the child and regularity of practice.				

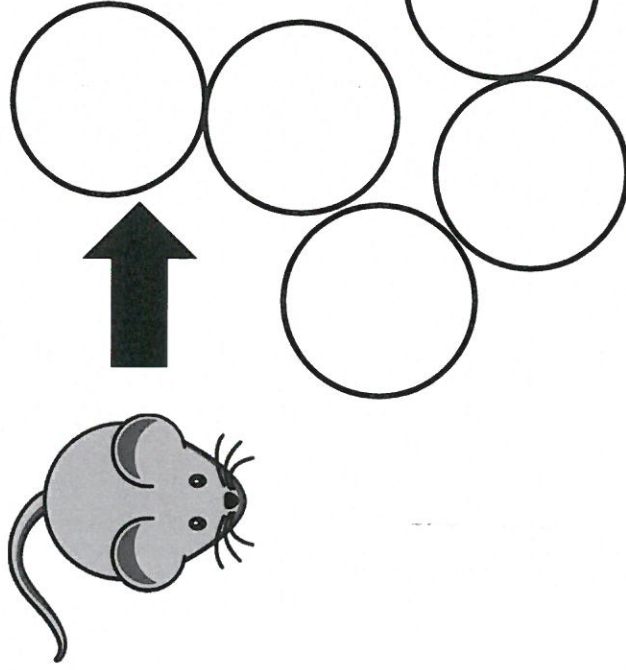

Please work through the following activities. If you have any questions or feel that the targets have been achieved, please contact the speech and language therapist.

Can You...?

Can you get the mouse to the cheese?

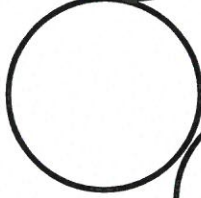

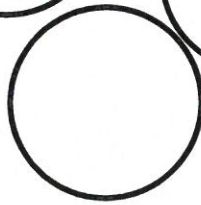

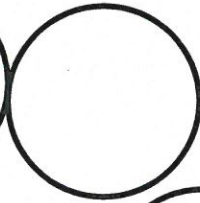

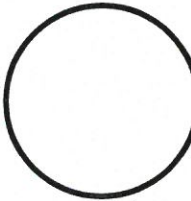

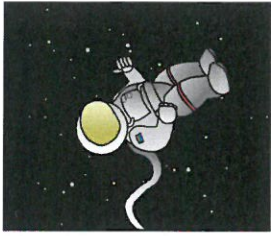

Say your special speech sound every time you 'jump' on the stepping stones to get to the cheese. Draw a tick on each stepping stone as you go along.

Can You...?

Can you get the man to the moon?

Say your special speech sound every time you 'jump' on the stepping stones to get to the moon. Colour in each stepping stone as you go along.

Pyramid Game

How to play:

- Start at the bottom of the pyramid, ask the child to say the sound correctly three times, the child can colour in each box they produce correctly.
- If the child is able to produce the sound 3 times, then they may move onto the next square
- Continue the game until they reach the top of the pyramid

Duckling Game

You will need:

- Pond with bridge on
- Duck (cut out)
- Phonics cards for vowels (e.g. Jolly Phonics, Read Write Inc)

How to play:

- Place a vowel card in the space next to each 'm' on the bridge
- Place the duck at one side of the bridge
- Every time the child says both sounds correctly the duck moves forward one space across the bridge
- If the child gets a sound wrong, the duck will need to go back one space
- Once the child has reached the end of the bridge and the duck is safely at the other side, the game is completed.

Find the Mouse

The purpose of this game is to practise words with the 'f' sound at the start of the words at phrase level.

How to play:

Each player has a picture of a mouse.

Other cards are placed on a table face down (or hidden in the room face down).

Players take it in turns to pick a card and say what they got,

eg "I've got a mask, but no mouse".

or

"I've got a mask and the mouse!"

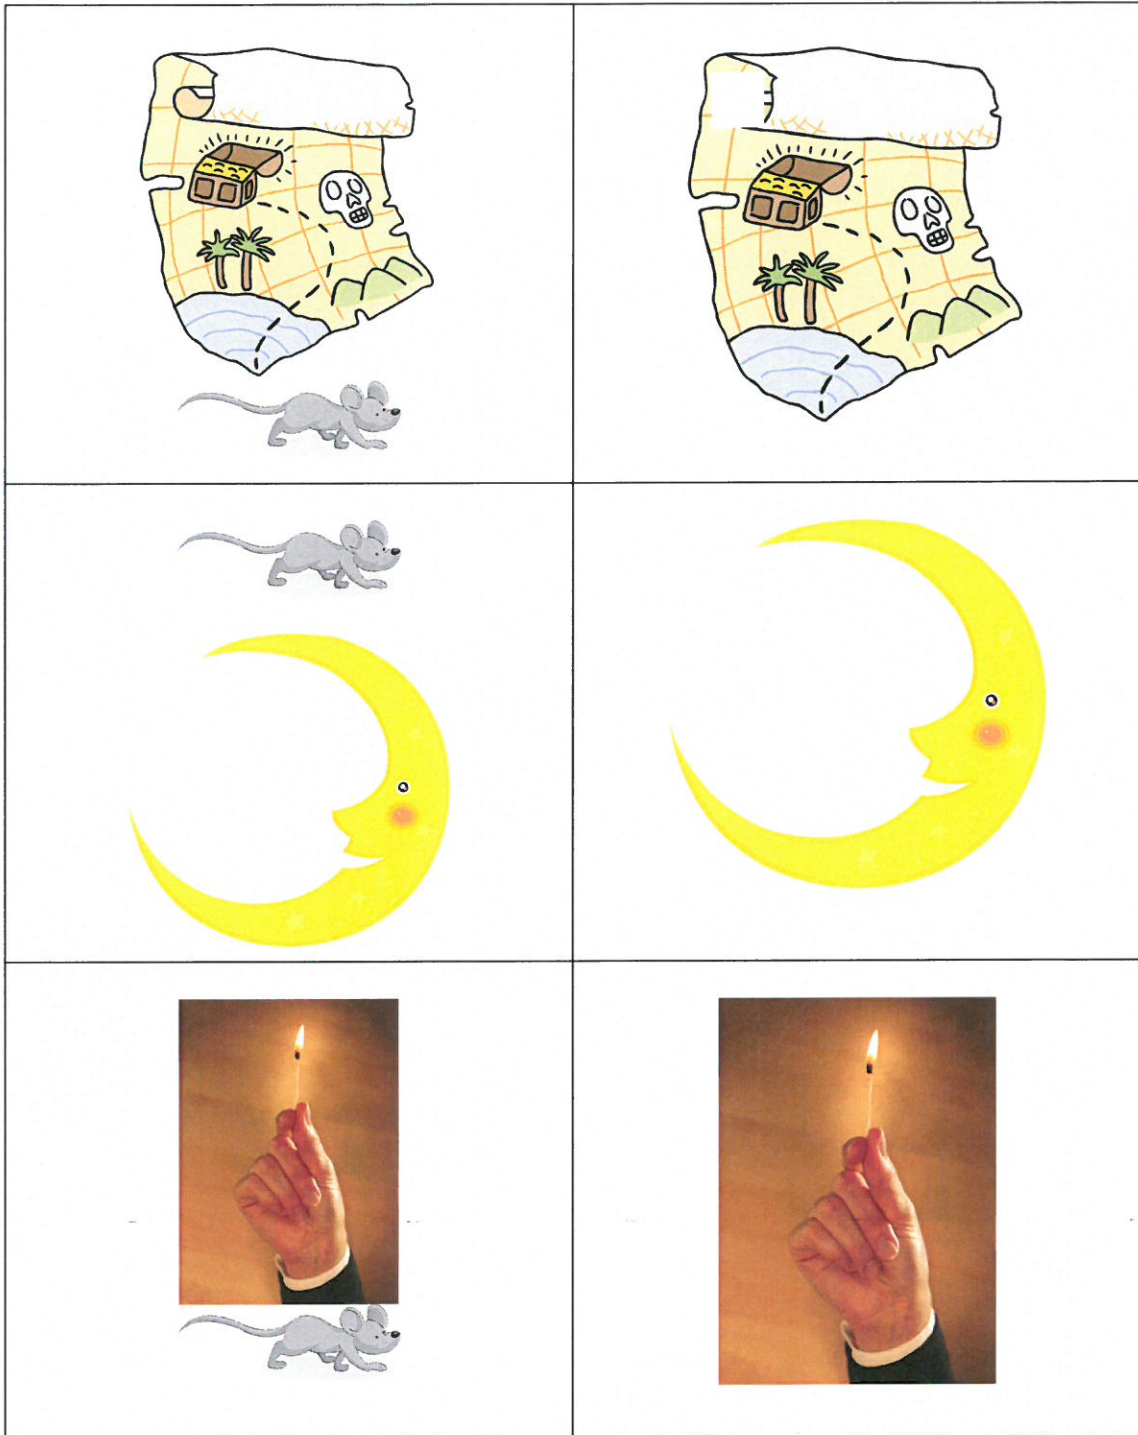

The words to practise: moon, match, mountain, mask, mushroom, mug, map, mop and mouse of course!

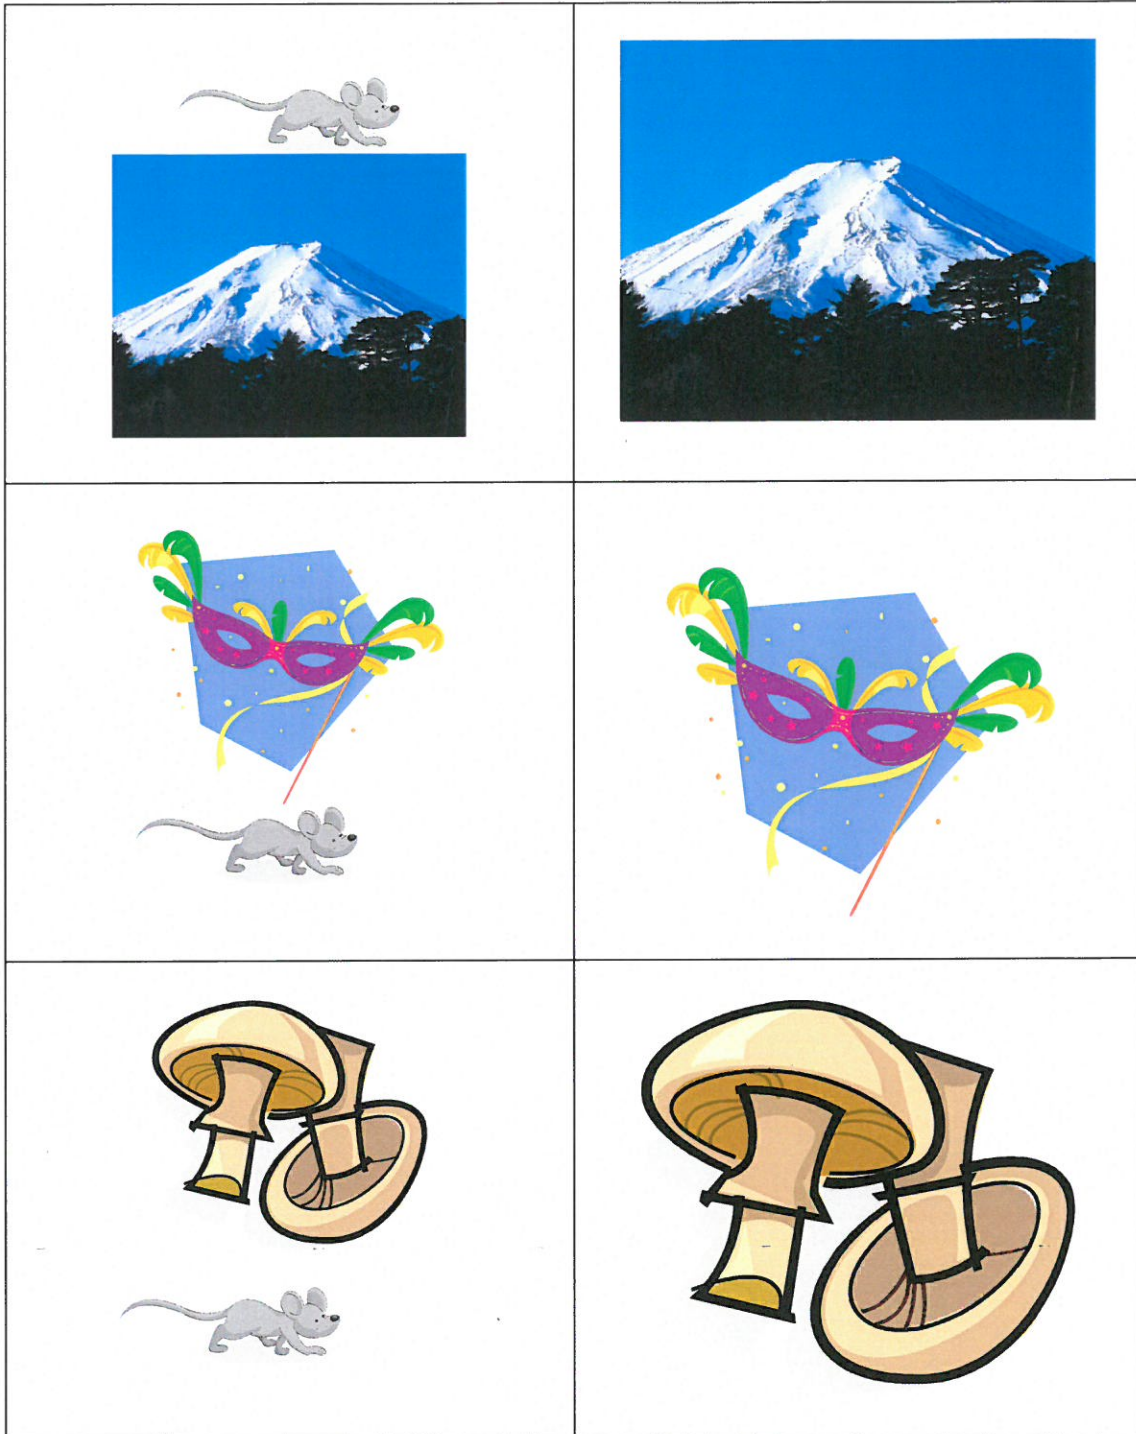

The game continues until all the cards are looked at.

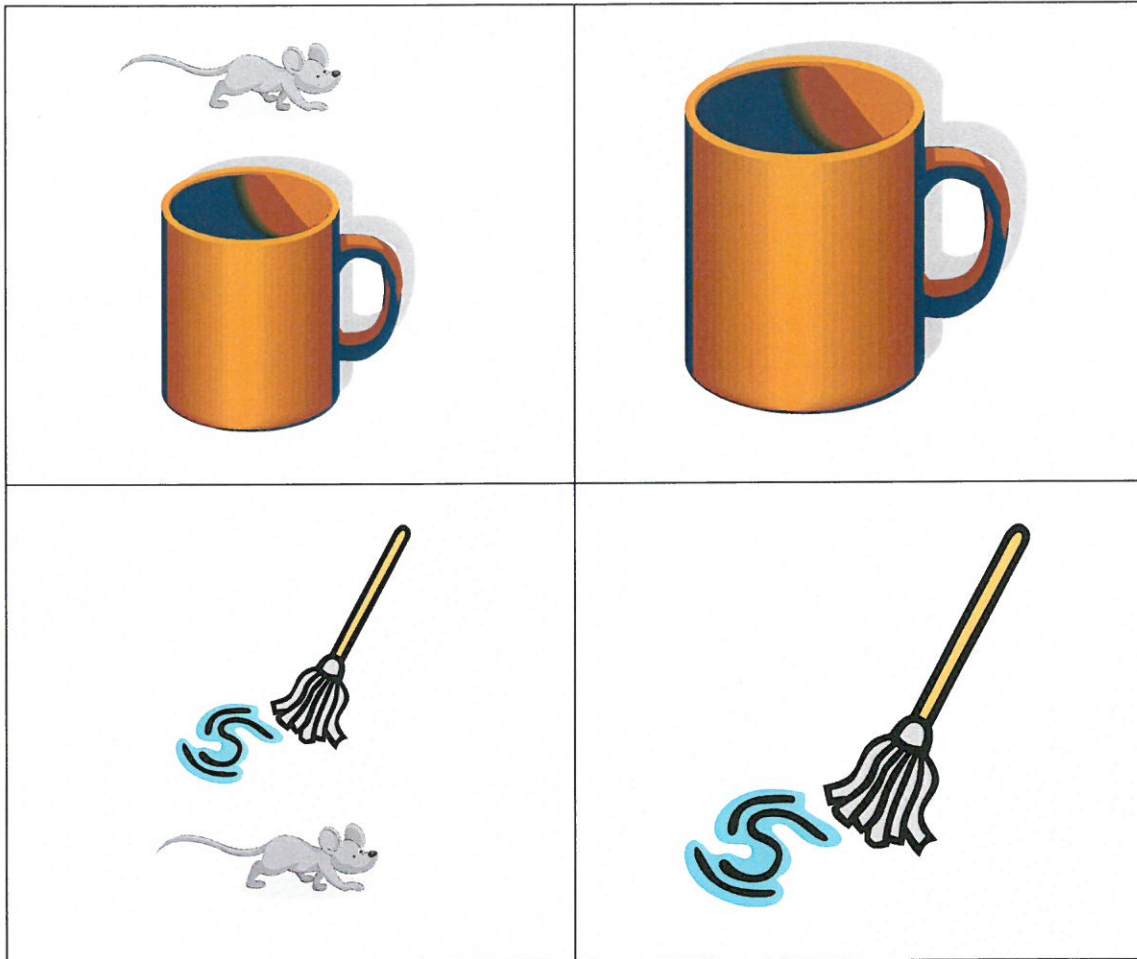

The person to collect most pictures featuring the mouse is the winner.

Snakes and Ladders

Things you'll need:

- Snakes and Ladders board
- A Dice
- One marker per player (e.g. a counter, a plastic coin)
- 2 or more people

How to play Snakes and Ladders!

- Place the counters on the board on the **START** square.
- Each player takes it in turns to roll the dice.
- Move your counter the number of squares the dice shows,
- When you get to a square, say the word using good speech
- Continue until a player reaches the **FINISH** square.

Ladder: If you land at the bottom of a ladder, move up to the square at the top of the ladder. Continue from there.

Snake: If you land on the snake's head, move down the board to the snake's tail and continue from there.
