Name: _____ DOB: _____

School: _____

Overall aim(s)	Where am I now?	What will I achieve?	Outcome	Actual Outcome
To help the child improve their language skills to their full potential	The child is not using wide range of clothes vocabulary and /or has word finding difficulties	The child will be able: To understand at least 10 NOUNS from clothes category To use at least 10 NOUNS from clothes category To understand at least 10 NOUNS from the following sub-categories: summer clothes ~ winter clothes To use at least 10 NOUNS from the following subcategories: summer clothes ~ winter clothes <i>during structured therapy activities 80% of the time.</i>		
Therapy package: Targets will be reviewed as agreed with the speech and language therapist	Timescale: As agreed with the speech and language therapist	Factors contributing to outcome: Commitment from adults working with the child and regularity of practice.		

Please work through the following activities. If you have any questions or feel that the targets have been achieved, please contact the speech and language therapist

VOCABULARY GAMES - CLOTHES

The ideas provided are designed to help children who have poor organisation and storage of vocabulary.

First print and cut out the cards.

- ⇒ **SILENT SORTING**- Spread pictures on the table face up. Sort them into 2 piles in sub-categories without naming. Discuss the choices after all pictures are sorted.
- ⇒ **SPEED SORTING** is a variation on the above. Sort through the pile of pictures as fast as you can, placing them on the correct pile. Time yourself and see if you can beat your own time.
- ⇒ **NAMING** - Can you name all the cards after they've been sorted?

To help development of the vocabulary you can play games like

- lotto, (there is a good booster pack in "Shopping Game" by Orchard Toys)
 - pairs (look for 2 of the same)
 - category pairs (look for 2 of the same category)
 - Word webs (especially useful when you come across a new word that the child haven't learned yet)
 - Ideas for games available: "Shopping Game- clothes booster pack", "Washing Machine game" by Orchard Toys
- ⇒ **SPEED NAMING** –how many pictures can you name in a shortest time? Time yourself and see if you can beat your own time. Which words are difficult to remember? They need more practise or word web approach.
- ⇒ **GENERATING OF VOCABULARY** is done without any visual help. You need to name as many as possible from a given category. The aim is for 10 items in 1min.

<p>SUMMER CLOTHES Skirt, shorts, dress, T-shirt, top, cap, sunhat, flip-flops, sandals, trainers, clogs/Crocks, goggles, flippers, swimming trunks, swimming costume</p>			
---	--	--	--
