Name: _____					D.O.B: _____	
School: _____						
Overall aim(s)	Where am I now?	What will I achieve?	Outcome	Actual Outcome		
To help the child improve their speech production skills to their full potential	The child is not using 'n' at the start of words in their speech	The child will be able to produce 'n' correctly at the start of words in sentences during structured therapy activities 80% of the time.				
Therapy package: Targets will be reviewed as agreed with the speech and language therapist	Timescale: As agreed with the speech and language therapist	Factors contributing to outcome: Commitment from adults working with the child and regularity of practice.				

Please work through the following activities. If you have any questions or feel that the targets have been achieved, please contact the speech and language therapist.

Pyramid Game

How to play:

- Start at the bottom of the pyramid, ask the child to say the sound correctly three times, the child can colour in each box they produce correctly.
- If the child is able to produce the sound 3 times, then they may move onto the next square
- Continue the game until they reach the top of the pyramid

Can You...?

Can you get the net to the fish?

Say your special speech sound every time you 'jump' on the stepping stones to get to the fish. Colour in each stepping stone as you go along.

Can You...?

Can you get the nurse to the hospital?

Say your special speech sound every time you 'jump' on the stepping stones to get to the hospital. Colour in each stepping stone as you go along.

Duckling Game

You will need:

- Pond with bridge on
- Duck (cut out)
- Phonics cards for vowels (e.g. Jolly Phonics, Read Write Inc)

How to play:

- Place a vowel card in the space next to each 'n' on the bridge
- Place the duck at one side of the bridge
- Every time the child says both sounds correctly the duck moves forward one space across the bridge
- If the child gets a sound wrong, the duck will need to go back one space
- Once the child has reached the end of the bridge and the duck is safely at the other side, the game is completed.
