The Audit Committee shall review the establishment and maintenance of an effective system of integrated governance, risk management, internal control (clinical and non-clinical) across the whole of the organisation activities that supports the achievement of the Trust's objectives.

In particular, the Committee will review the adequacy of:

- all risk and control related disclosure statements (in particular the Annual Governance Statement, regular reports on the activities of the Risk Management and Governance, self-certification statements to the Regulator, and Care Quality Commission declarations), together with any accompanying Head of Internal Audit statement, External Auditor opinion or other appropriate independent assurances, prior to endorsement by the Trust Board.
- underlying assurance processes that indicate the degree of the achievement of corporate objectives, the effectiveness of the management of principal risks and the appropriateness of the above disclosure statements. The Audit Committee will undertake periodic reviews of progress against the Board Assurance Framework and Corporate Risk Register, with significant changes highlighted. Where these items are of such a significant nature, 4 refers, the Chair of the Audit Committee will bring them to the immediate attention of the Trust Chair. A full copy of these key documents will be made available to the Audit Committee in accordance with the timetable agreed by the Trust Board and will normally be reviewed in full prior to the production of the Annual Report and Accounts and the Annual Governance Statement and as part of the Trust's mid year review process.
- policies for ensuring compliance with relevant regulatory, legal and code of conduct requirements and any related reporting and self-certifications, and consider any training requirements to ensure Committee members are kept up to date with emerging requirements, policies and procedures for all work related to counter fraud and security as required by NHS Counter Fraud Authority.

for the proportionate and independent investigation of such matters and for appropriate follow-up action.

In carrying out this work the Committee will primarily utilise the work of Internal Audit, External Audit and other assurance functions, but will not be limited to these audit functions. It will also seek reports and assurances from Directors and managers as appropriate, concentrating on the overarching systems of integrated governance, risk management and internal control, together with indicators of their effectiveness.

This will be evidenced through the Committee's use of an effective Board Assurance Framework to guide its work and that of the audit and assurance functions that report to it.

As part of its integrated approach, the Committee will have effective relationships with other key committees so that it understands processes and linkages. However, these other Committee's must not usurp the Committee's role.

External Audit

The Council of Governors will take the lead in agreeing with the Audit Committee the criteria for appointing, reappointing and removing auditors. The Audit Committee will make recommendations to the Council of Governors via the Finance and Audit Governor Group who will then make recommendations to the full Council on these matters, and approve the remuneration and terms of engagement of the External Auditor. In accordance with its Standing Orders, the Council of Governors will appoint the external auditor following recommendation from the Audit Committee.

The Audit Committee shall develop and implement policy, in collaboration with the Finance Directorate, regarding the engagement of the External Auditor to supply non-audit services, taking into account relevant ethical guidance. The Head of External Audit will have unhindered and confidential access to the Chair of the Audit Committee.

This will be achieved by:-

- review and approval of the Internal Audit strategy, operational plan and more detailed programme of work, ensuring that this is consistent with the audit needs of the organisation as identified in the Board Assurance Framework;
- where there is a requirement to undertake work outside of the approved annual work plan, all such requests must be presented to the Audit Committee for approval;
