Name: School:				D.O.B:	
Overall aim(s)	Where am I now?	What will I achieve?	Outcome	Actual Outcome	
To help the child improve their speech production skills to their full potential	The child is not using 'b' at the end of words in their speech	The child will be able to produce 'b' correctly at the end of words in sentences during structured therapy activities 80% of the time.			
Therapy package: Targets will be reviewed as agreed with the speech and language therapist	Timescale: As agreed with the speech and language therapist	Factors contributing to outcome: Commitment from adults working with the child and regularity of practice.			

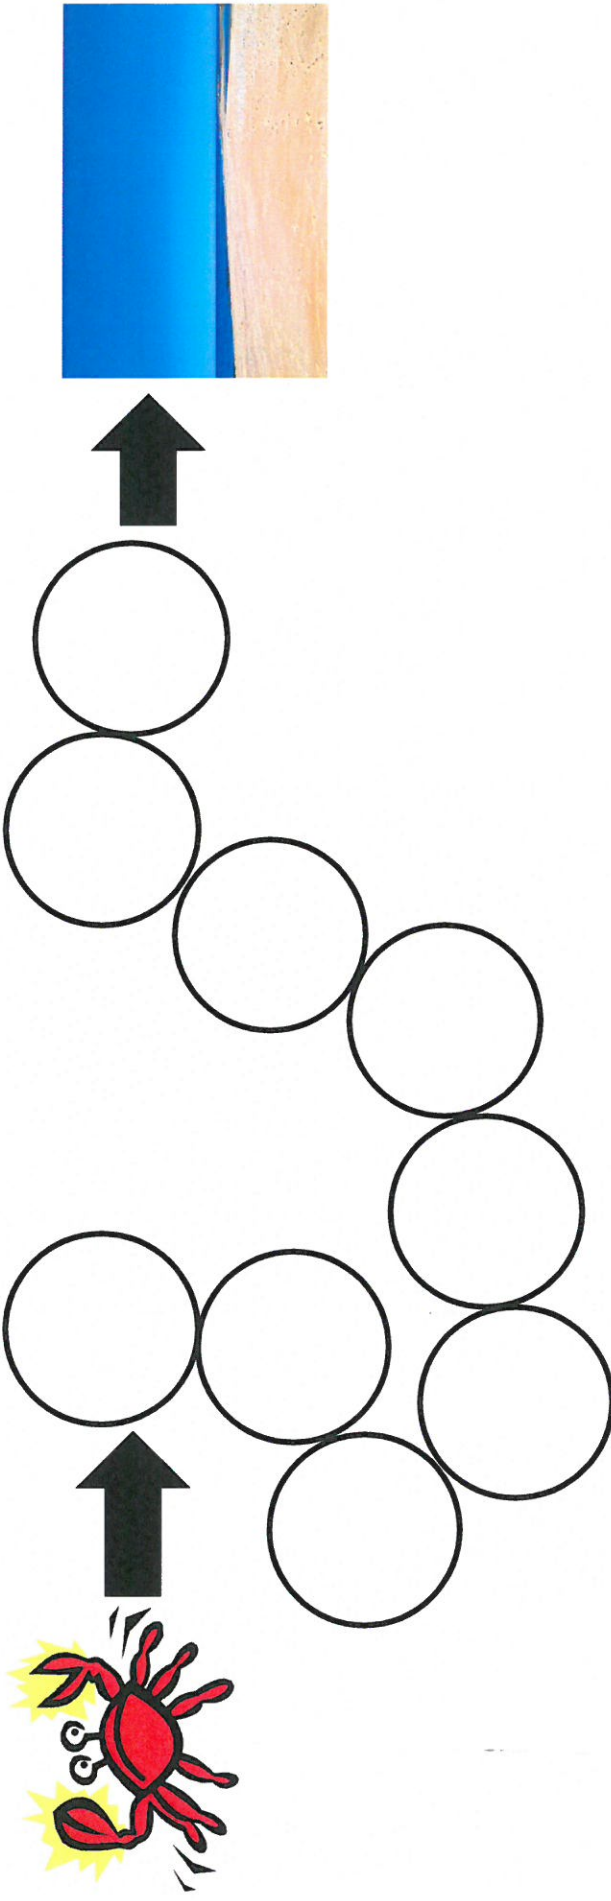

Please work through the following activities. If you have any questions or feel that the targets have been achieved, please contact the speech and language therapist.

## Can You...?

### Can you get the crab to the beach?

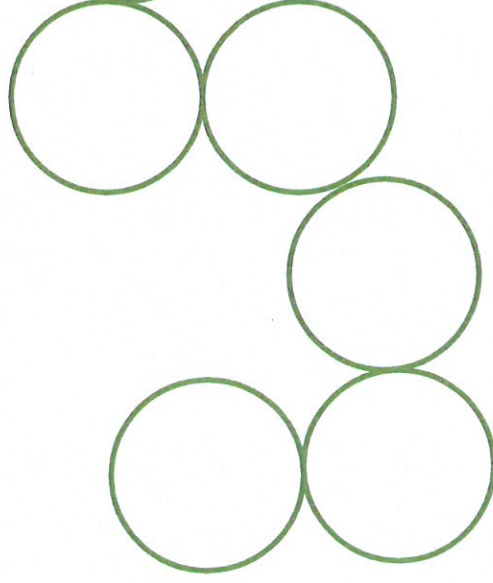

Say your special speech sound every time you 'jump' on the stepping stones to get to the goal. Draw a tick on each stepping stone as you go along.

## Can you....?

### Can you get the cub to the mum?

Say your special speech sound every time you jump on the stepping stones. Colour in the stepping stones every time you say the sound correctly.

## Pyramid Game

### How to play:

- Start at the bottom of the pyramid, ask the child to say the sound correctly three times, the child can colour in each box they produce correctly.
- If the child is able to produce the sound 3 times, then they may move onto the next square
- Continue the game until they reach the top of the pyramid

# Ladder Game

## How to play

- Cut out ladders and characters
- The child can choose which character they would like to be.
- Put a vowel sound card (e.g. Jolly phonics, or read Write Inc pictures) in front of the letter and if the child correctly pronounces both sounds together, they can climb one space on the ladder
- The aim of the game is to have a race and see who can reach the top of the ladder first

## How To Play

- Cut out the pictures and spread them out face down on the table.
- Take it in turns to choose 2 pictures.
- Try to find 2 pictures that go together e.g. knife and fork.
- If the pictures go together say “..... and ..... go together.”
- If the pictures don't go together say “ ..... and ..... do not go together.”
- Try to remember where the pictures are that may go together.
- Continue taking turns until all the pictures have been won.
- The winner is the one with the most pictures.
