Name: School:	D.O.B.:	Overall aim(s)	Where am I now?	What will I achieve?	Outcome	Actual Outcome
To help the child improve their speech production skills to their full potential	The child is not using "I" at the end of words in their speech	The child will be able to produce "I" correctly at the end of words in sentences during structured therapy activities 80% of the time.				
Therapy package: Targets will be reviewed as agreed with the speech and language therapist	Timescale: As agreed with the speech and language therapist	Factors contributing to outcome: Commitment from adults working with the child and regularity of practice.				

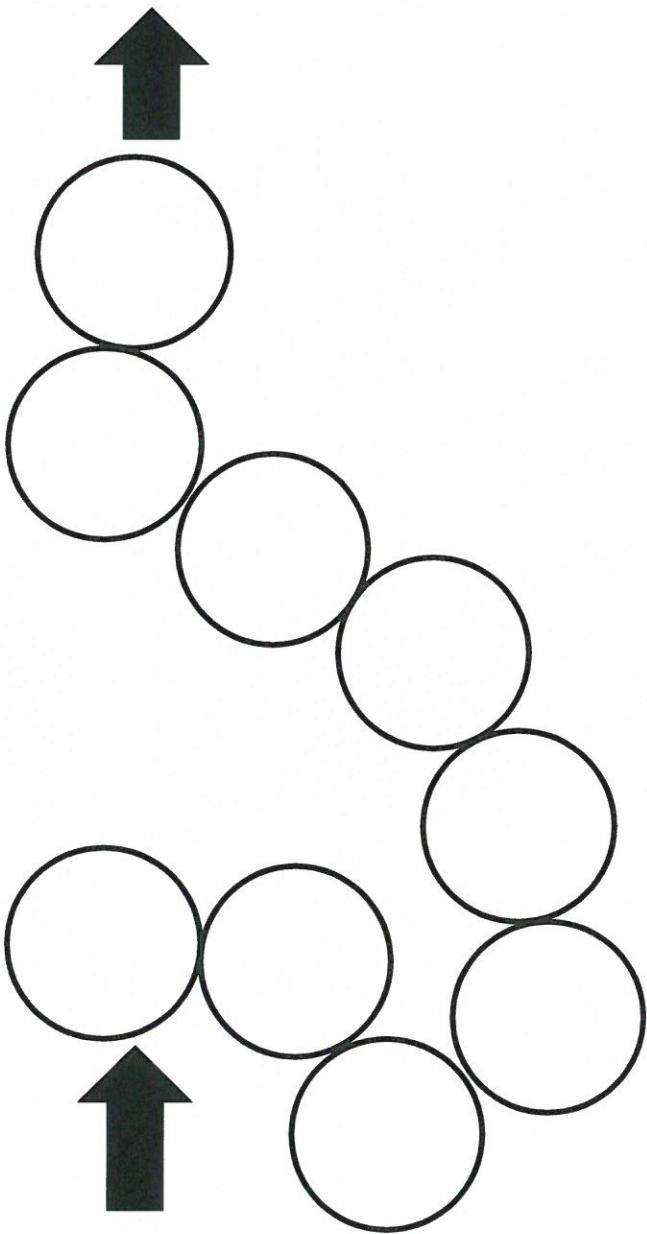

Please work through the following activities. If you have any questions or feel that the targets have been achieved, please contact the speech and language therapist.

Can You...?

Can you get the ball to the goal?

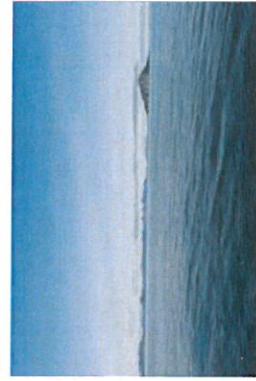

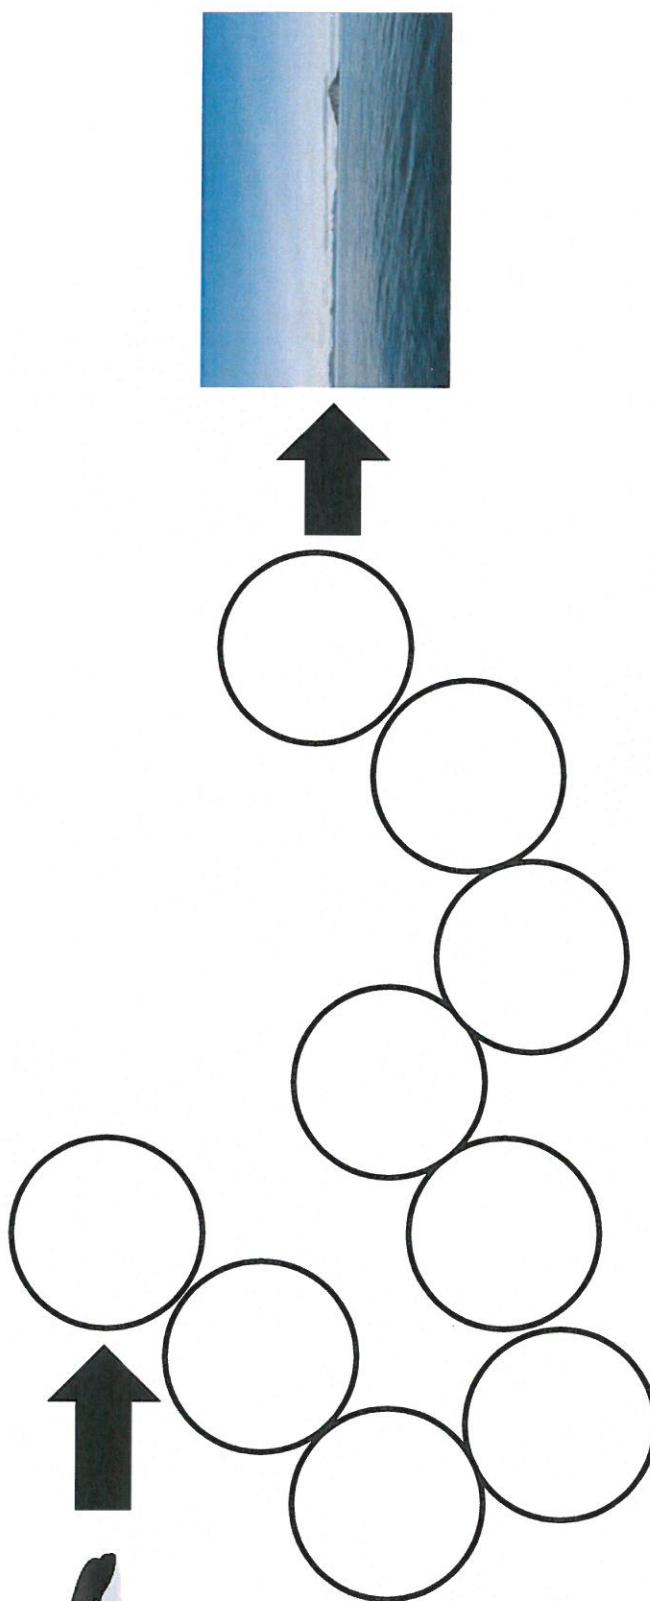

Say your special speech sound every time you 'bounce' along the stepping stones to get to the goal. Put a tick on each stepping stone as you go along.

Can You...?

Can you get the whale to the ocean?

Say your special speech sound every time you 'swim' along the stepping stones to get to the leaf. Colour in each stepping stone as you go along.

Ladder Game

How to play

- Cut out ladders and characters
- The child can choose which character they would like to be.
- Put a vowel sound card (e.g. Jolly phonics, or read Write Inc pictures) in front of the letter and if the child correctly pronounces both sounds together, they can climb one space on the ladder
- The aim of the game is to have a race and see who can reach the top of the ladder first

Radish Lotto Game

Cut out all radishes. Let the child choose a board Mr or Mrs Mills. Place radishes numbered 1-6 on each board, so the pictures in the holes are covered. Shake the dice in turns to pull a numbered radish out. Say the word on the picture hidden under the radish you won. Make sure to remember to use the special sound. The person to pull all their radishes out is the winner.

This game can be played at 3 levels of difficulty (see below). Ask your therapist at which level to play the game.

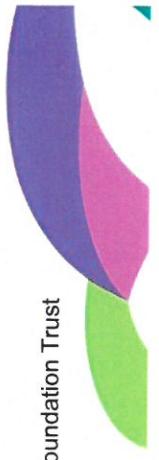

LEVEL 1 – (SINGLE WORDS) Say the words – as above.

LEVEL 2 – (TARGET WORDS IN PHRASES) Say the target word in this set phrase “I’ve got the”

LEVEL 3 – (TARGET WORDS IN SENTENCES) Say the target word in your own sentence.

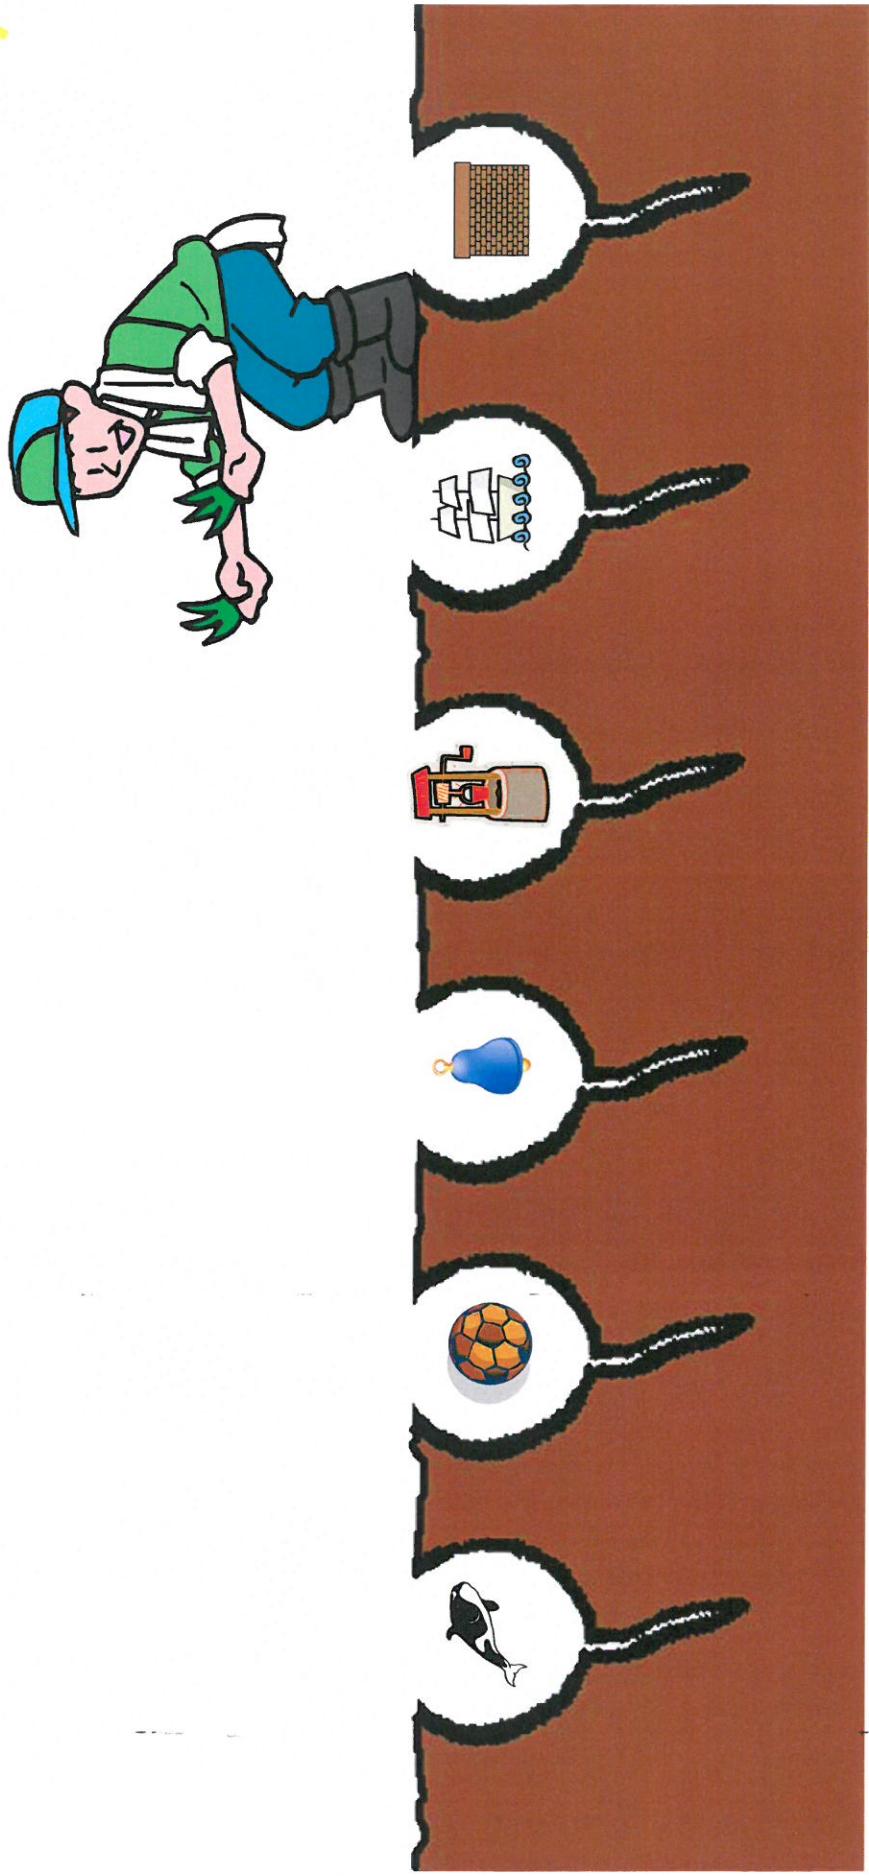

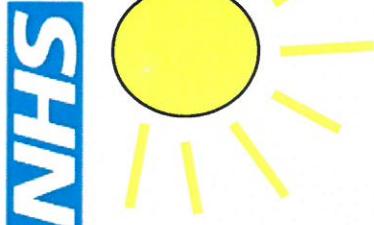

NB:

This game can be also used to reinforce understanding and use of personal pronouns he/she.

L Final Phrase Level

Cut out the different coloured balls and hide them around the room or turn them face down on the table.

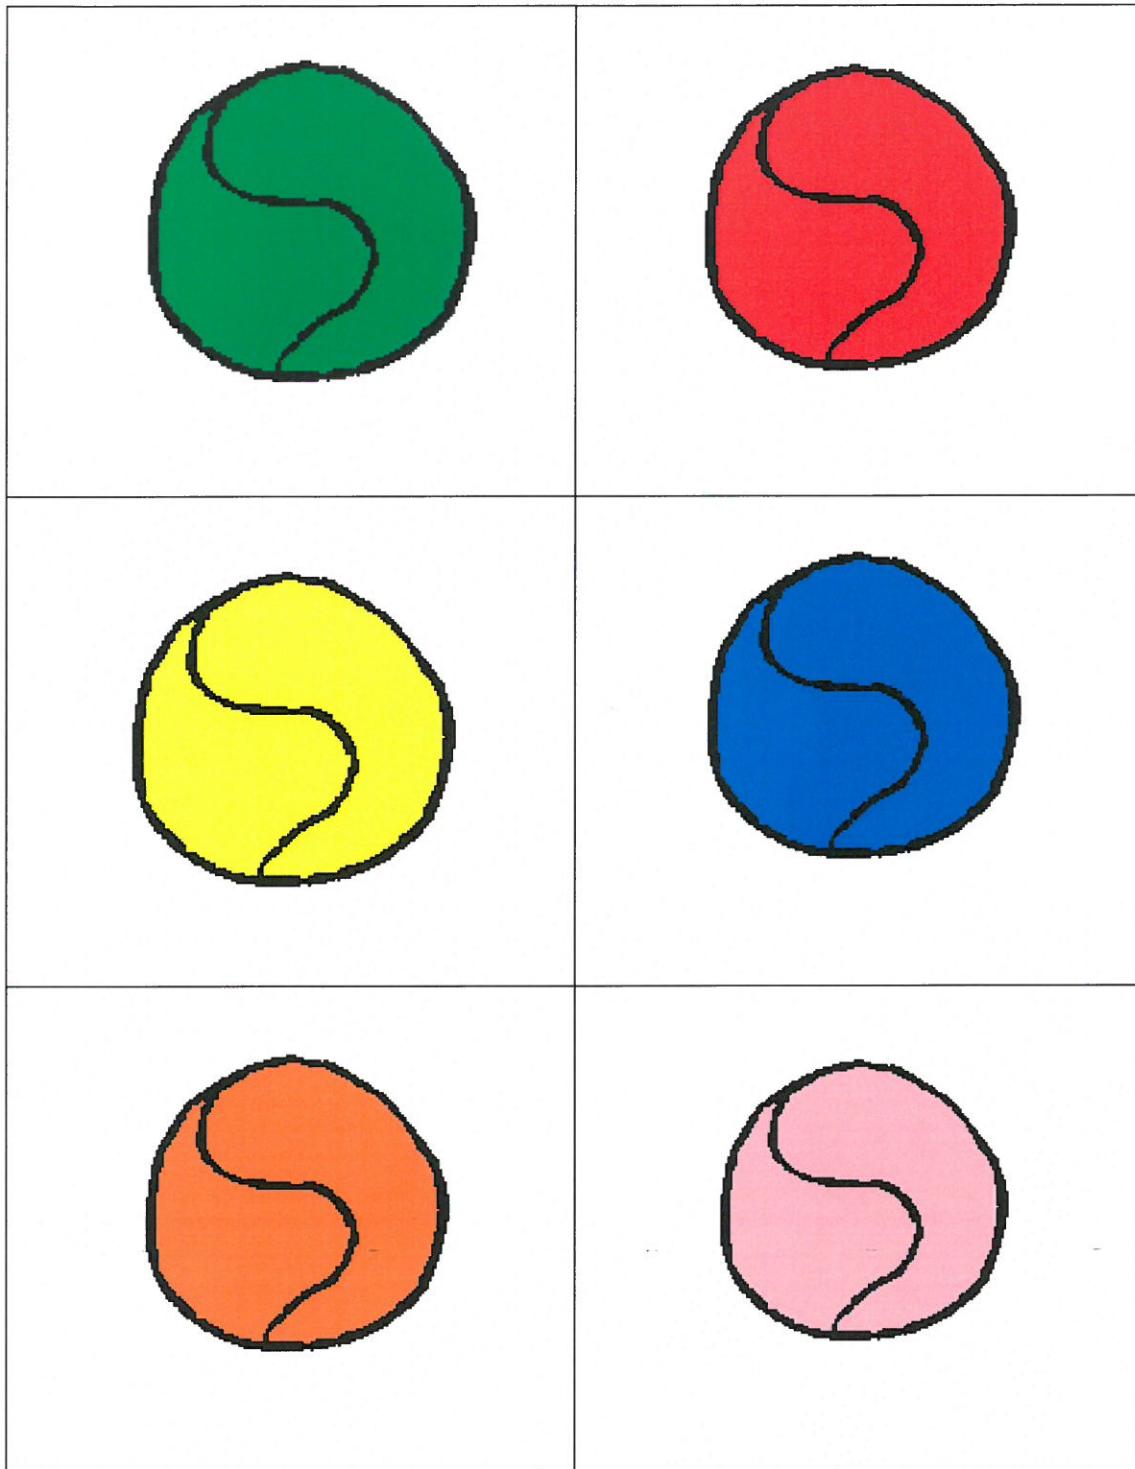

The child has to find a picture or turn over a picture and say what they have (e.g. 'A red ball'). Once they are able to do this, you can move on to saying a longer phrase (e.g. 'I have a red ball').
