[Patient]

You Said...

...We Did

Local neighbours requested Practice send a message to our patients to use the car park rather than parking their cars in the street blocking drive access.

Request sent via text message to our patients and included article in the Practice February newsletter to respect the neighbourhood.

*Patients mum
asked Practice
if it would be possible
to turn off the waiting
area TV screens
when they bring
her for an
appointment.*

We confirmed that
we would be happy to
do this and advised
the team, so, they
are aware.
